Bringing the Word to the World

Multi-Language Productions (MLP), an arm of WELS World Missions, has created more than 2.9 million video, audio, and print materials, and is growing their online training resources in more than 56 languages to date. Through these resources MLP can assist and enhance outreach for all churches, especially in places where WELS does not have resident missionaries.

The majority of MLP products are evangelism and Bible study resources to be used by anyone who sees a need for ministering to others in Christ.
